Delhi Flying Club

ABOUT US:

Delhi Flying Club was established in the year 1901 by the orders of the Viceroy of India then. It was registered as a Public Limited Company in the year 1928 and since then it has been involved in training Pilots, Aircraft Maintenance Engineers and was also involved in maintenance of Aircrafts. It was the first company to have operated Air Mail services in India as early as year 1931. Among the Pilots trained with us, we would like to mention the names of Shri Biju Patnaik, Shri Rajiv Gandhi, Air Marshal P. C. Lal. Engineers trained by us are at present heading the Engineering wing of some of the private Airlines operating today.

We had one Club operating social facilities at the Safdarjung Airport which has since been closed. We have now moved into a very well located property in the vicinity of Indira Gandhi International Airport. We are going to re-start our Club operations for social and banqueting operations, with well-equipped Bar, Restaurant, Conference Halls, 60 Rooms for stay of guests of members. A large Swimming Pool is yet another attraction.

Please have a look at photos displaying the grandeur and facilities.
